5:00-7:00pm

Open for reservations

Location: Smartydog Center- Outside Ring

Instructor: Lynn Spagnesi

Cost: \$40

This session will introduce set point work and fun low impact - where's your feet style jump grid activities designed for puppies. We will use a variety of layouts to give your young dog experience in footwork and motor planning.

Pre-requisites:

- Yes! and OOPS markers / -release word / -recall / -targeting / -go to mat
- History of reinforced SIT, Grab Collar, Pay ritual

Limited to 6 working spots - email to reserve your spot!

(Note: only one dog will be working at a time, dog's waiting must be crated).

As a MAJOR portion of learning comes from watching other dogs, participants will be seated inside the working ring along the side.

Your dog's crate will be setup behind a snow fence and your chair.

(Please, practice crating your pup in new locations prior to this workshop! It would be advantageous to bring busy crate chews, bones, or puzzles, and a cover)
